

PICK UP PENNSYLVANIA 2019

IN SUPPORT OF THE INTERNATIONAL COASTAL CLEANUP

TRASH TRAVELS! HELP KEEP OUR WATERWAYS CLEAN

A significant portion of waterway pollution originates on land. When it rains, litter on sidewalks and streets is swept into storm drains that discharge into the nearest creek or river, eventually flowing to the ocean!

Prevent litter from ending up in our waterways by organizing a cleanup during PICK UP PENNSYLVANIA, in support of the Ocean Conservancy's International Coastal Cleanup - **September 1 through October 31**

ELIGIBLE LOCATIONS

Communities, neighborhoods, streams, rivers, lakes, roads, hillsides, parks and trails...

ALL litter can reach our waterways!

REGISTER AND RECEIVE FREE SUPPLIES

Gloves and bags will be available for registered events while supplies last.

TO REGISTER
